

March Cleveland NTMA Chapter Meeting

Join the Cleveland NTMA chapter and instructors from Polaris Career Center for a roundtable discussion, tour and networking.

Monday, March 20th
4:00pm—6:30pm

Polaris Career Center
7285 Old Oak Blvd.
Middleburg Hts., OH 44130

Register today for a tour of Polaris Career Center in Middleburg Heights followed by a roundtable discussion moderated by Roger Atkins, NTMA National President. The tour will highlight what Polaris Career Center has to offer to the manufacturing industry through their educational programs. Polaris Career Center wants to hear from our members on how they can help us and what our needs as manufacturers are. Some fields that will be highlighted include, but are not limited to:

Tool & Die Maker
CNC Programmer
General Machinist

REGISTRATION INFO:

Cost: \$10/person

No shows will be charged.

Snacks and non-alcoholic beverages will be provided.

Email ntmacleveland@gmail.com to reserve your spot by Friday, March 17th.
