

# Why Become an Industry Partner with Akron NTMA?

*Pictured: NTMA President, Roger Atkins, and Akron NTMA President, Abram Wagner*

## What Is an Industry Partner?

Industry Partners make business connections with our members that are mutually beneficial. Our machine shop members trust our valued Partners for business information, services, products and cost saving ideas on how to run their business more efficiently.

## Benefits:

- **Member pricing** to attend events.
- Opportunity to **share educational articles or blog posts** with membership that provide value. (Chapter Executive to distribute via email).
- Opportunity to **present to our membership**.
- Opportunity to participate in **Akron's NPP benefit discount program**.

## Expectations:

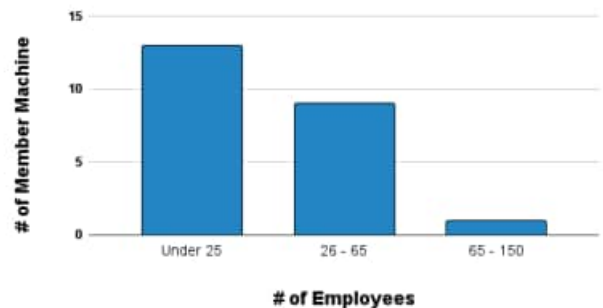

- We encourage and promote a relationship-based sales approach that is never "salesy" or unwanted.
- We are partners with mutual benefit:
  - **We promote our Partners** according to the level purchased in addition to the above benefits.
  - **Partners will promote Akron NTMA** and events to their precision manufacturing clients (info provided by Akron NTMA).
- Partners must abide by our [Code of Conduct](#) listed on our website.
