ECONOMIC AND INVESTMENT UPDATE & BREWERY TOUR

Don't miss this incredible opportunity to gain valuable insights into the economic landscape, explore investment possibilities, and network with industry peers. Join us for the Economic and Investment Update & Brewery Tour, and discover new pathways to take your company to new heights.

4pm: Economic & Investment Update
5pm: Tour of Brewery
5pm - 7pm: Networking, Food & Drinks

PROGRAM & SPEAKER

Today's investment environment is marked by a myriad of uncertainties. During his presentation, Brian Pietrangelo will provide real-time economic insights and help us focus on the critical forces impacting the direction of our economy and capital markets. **Key Topics:** Inflation, Volatility, Interest Rates and Yields, The Federal Reserve, Employment, Possibilities for a Recession, Portfolio Positioning for Investors, and Year to Date (YTD) Report.

Brian Pietrangelo

Brian Pietrangelo is Senior Vice President, Managing Director of Investment Strategy at Key Private Bank. He works directly with our Chief Investment Officer to support sound investment strategies for private and institutional clients and the delivery of solid risk-adjusted investment performance. He has more than 25 years of experience in areas of leadership, investment strategy, investment research/manager due diligence, and product development.
